

## Chandee Sleep Salon & Massage Redefines Head Spa Culture in Bangkok's Silom District

*Boutique spa combines massage therapist expertise, facials, and late-night wellness with 5-star personalized care*

Bangkok, Thailand, 12 September. In the heart of Silom, Bangkok, Chandee Sleep Salon & Massage is setting a new standard for spa experiences by combining head spa rituals with professional massage techniques, rejuvenating facials, and exceptional customer care.

Unlike traditional head spas, Chandee's treatments are performed by professional massage therapists, blending scalp rituals, ASMR touches, and hair cleansing with skilled bodywork. This unique approach transforms the standard head spa into a deeper, more therapeutic experience.

What truly sets Chandee apart, however, is its brand ethos of kindness, warmth, and personal service. Guests consistently highlight in 5-star reviews that relaxation begins the moment they walk in, from the welcoming smiles to the personalized attention throughout their visit.

Other hallmarks of Chandee's boutique luxury include:

- **Integrated Treatments** – Head spa combined with Thai massage, aroma oil therapy, or facials such as Gua Sha and anti-aging V-Shape.
- **Late-Night Hours** – Open daily until 11:00 PM, ideal for office workers, tourists, and hotel guests.
- **Affordable Luxury** – Positioned between budget massage shops and ultra-premium spas.
- **Boutique Atmosphere** – Clean, beautifully designed, and intimate.
- **Prime Silom Location** – Next to the iconic Mahanakhon Tower.

"At Chandee, we believe relaxation should feel personal and deeply cared for," said Chananchida van Heezik, founder of Chandee Sleep Salon & Massage. "Every touch is guided by our professional therapists, but it's also about the warmth, kindness, and service that make guests feel at home."

Blending professional expertise, boutique luxury, and heartfelt service, Chandee has quickly become one of Bangkok's best-rated spas, drawing locals, expats, and international travelers seeking an authentic wellness experience in Silom.
